

U0837_2: Nominations Form

Role Category*	Vice President position
Preferred name*	Olivia
Candidate Question 1: What attracted you to stand for this role	I was attracted to this role because I want to be apart of the student voice. I also want to step out of my comfort zone that usually I wouldn't think of doing because of anxiety and have my voice be heard. I also think its a great opportunity to connect with other students and also learn skills that I may need for future job roles.
Candidate Question 2: What are the top two issues that you would want to address as part of the 2024-26 Student Leadership Team?	I would like to address the way in which students connect. I think this important for future contacts within job life. Also sometimes as a student you can connect with people within your local area as I found that the forums are hardly used . I would also like to address having more chances to meet people on module in various location meets as it would be great to meet more people again when for me I live in a commutable distance of Milton Keynes however more chances to meet people would be good.
I am not currently a member of the National Committee of the Association of Open University Graduates (AOUG)*	yes
Constituency*	Vice President Community and Engagement
