10 minute break

Volunteering platforms and next steps...

You will be invited to the following.

Share Point.

Student Voice Forums.

Pre-Meeting Briefings.

Monthly Student Voice Live Forum (LIVE).

Share Point

You will receive an invitation to a meeting from the committee or board secretary.

They will provide a link to the Share Point or Microsoft Teams space that they use to store and share meeting papers.

Your accessibility requirements have been shared with the committee in advance.

Student Voice Forums

These work just like your module forums.

Expectation is that you post your reports here.

Talk to each other, ask questions, find information, news and important updates.

<mark>Action</mark> - we will send you a link to click on to activate your enrolment to the Student Voice Forums.

Pre-meeting briefings

30-minute online meeting with your Volunteering and Representation Officers, before your committee meeting (meeting dates will be posted on forums).

Expectation is that you would have read some of the papers.

We will email you with an invitation to the pre-meeting briefing.

The committee will send you a separate invitation to the meeting.

We talk about things you may find interesting in the papers and discuss how you might want to share the views of the student community and ask questions.

Student Voice Online Monthly Forum (LIVE)

1 hour, 7-8pm once a month.

Informal space and optional.

Starting on Thursday 28 September 2023.

Lead by Deputy VP Education.

Timetable, agenda, links to sessions and presentations placed in the forums in advance.

We invite external speakers, provide news, information and updates and training.

This is also a great place to meet other Reps!

Drop-ins available for those who need help with:

Accessing forums
