

Area Representative

Area Representatives have the primary responsibility of supporting the development of a student community for students living in the area they cover and, where necessary, representing their views to the Association Student Leadership Team and The Open University.

You will be a member of the OU Students Association Student Leadership Team (SLT), which is made up of all the successfully elected candidates from the Students Association elections (excluding Student Trustees) and serves as the collective voice of the OU student body. The SLT work together as a team over their two-year term to advocate on behalf of students, and to champion changes that will enhance and improve the OU student experience. Each member of the SLT has an individual portfolio, which determines their area of focus. However, Student Leaders will work together to agree on their team priorities and how they want to pursue them, sharing their challenges and achievements along the way.

There are five Area Representatives, one for each of the following:

- England
- International
- Ireland
- Scotland
- Wales

In this by-election there is a vacancy for the following Area Representative:

- Scotland

Examples of meetings attended by Area Representatives

The nature of our Student Leaders' roles is that there are always additional Association and OU working groups and committees that they will attend, as well as a range of one-off activities. We are therefore providing the most comprehensive list we are currently able to.

The list specifies scheduled meetings; additional work is typically required between these through online discussions and/or reading papers. In general, where there are face to face meetings these often take place in Milton Keynes, however, we are embracing blended working and so most meetings are hybrid or online.

Association meetings

- **Student Leadership Team Meetings** – Formal SLT meetings to agree action taken by the Association on Student-facing issues and to discuss proposals to the Board of Trustees when required. All formal business is covered in these meetings, and these are mandatory except for unavoidable circumstances.
- **Monthly Student Leadership Team catch up** – a less formal but regular opportunity for the SLT to get together to discuss current issues, ideas and generally support each other in role.

Additional meetings are arranged as and when needed to provide training, host community sessions and to get involved in delivering Welcome Week and other engaging student-led activities. Other Area Representatives have found it beneficial to meet on a semi-regular basis, along with VP Community & Engagement to share best practice and ideas.

Further information

These remits are not exhaustive and specify the core responsibilities of Elected Student Leaders. They are subject to change dependant on circumstance and ongoing developments. There may also be items that fall across remits where postholders will work collaboratively.

Remits indicate the normal assignment of responsibilities, however, where both parties are agreed, role descriptions are not intended to prevent the sharing or transfer of relevant work for good reason and in the interest of supporting one another.

All volunteers are expected to follow the Volunteer Policy and Agreement, the Values and Behaviour Policy and Code of Conduct given to them on taking up a role with the Association.

All volunteers are required to have their own IT equipment and internet connectivity sufficient to fulfil their remits. In exceptional circumstances, and for a period not exceeding six months, the Association may be able to provide the loan of a laptop.
