

Our Values and Shared Behaviours

Values

Welcoming

We ensure every student feels welcome and supported whilst celebrating diversity, embracing all backgrounds, and fostering a sense of belonging.

Adaptable

We are dynamic in meeting the needs of our diverse members and reactive to changes that affect their experience.

Accountable

We are accountable to our members and actively work toward their best interests.

Sustainable

Ensuring we are responsible in our activities, safeguarding the future of the Association and promoting a positive environmental impact.

Bold

Empowering people to be creative and ambitious in their actions, whilst striving to improve the experience of all our members.

Shared Behaviours

- We treat students, volunteers, staff and anyone else we encounter with respect (including online)
- We act as a positive representation of the OU Students Association
- We act responsibly with regards to health and safety
- We are committed to equality, diversity and inclusion

Volunteer Agreement

What you can expect from us

We will provide role-specific training, as well as the opportunity to develop new skills.

We will ensure your volunteering and representation activities bring real benefits to students and the OU community.

We will listen to your views and feedback.
